*It's nearly time!*  
**Our annual fundraiser, Zocalo, is just around the corner.**

If you haven't already purchased your tickets to Zocalo, please click [here](#) to do so now. If you've already committed to our December 1 event, we want to thank you so much.

We are delighted to have with us Lalo Alcaraz, the nationally-syndicated cartoonist of La Cucaracha, a deejay, mariachi music, authentic regional cuisine from Mexico, tequila tasting, and fun that includes the Mexican bingo game, lotería, for fun prizes. The event, which runs from 6 pm to 9 pm, promises to be lots of fun with short speeches, mine included!

Your ticket pays for valuable community programming, such as our afterschool program, The Learning Lounge, which we hope to grow in the coming months.

We look forward to seeing you!

**In Service,**

**Armando de la Libertad, CEO**

*Thank you*  
**Pacific Life Foundation**

We are pleased to announce that Pacific Life Foundation has generously offered to underwrite the replacement of Delhi Center's 10-year-old computers, computer software and anti-virus protection.

Delhi Center, which offers programming that promotes health and wealth in our community, relies on private donations. These private funds not only pay for office supplies but support classes that teach residents financial and computer literacy, English and new skills such as karate and ballet.

Pacific Life Foundation, an arm of the Pacific Life Insurance Company, funds organizations that address social problems.

"We are so thankful for this generous gift from Pacific Life Foundation," said Delhi Chief Executive Officer Armando de la Libertad. "These funds will help our administration keep up to date with the latest technology and protect our computers from viruses. That way, we can continue providing our community with powerful tools for its future."
