**Sold Out!**

**Thank you, Supporters!**

I want to take this opportunity to thank our sponsors and ticket holders to our fundraiser on Dec. 1st, which includes mariachi, tequila tasting, two deejays plus a special audio visual presentation by Lalo Alcaraz -- the cartoonist who produces La Cucaracha, the nationally syndicated cartoon.

We have sold out!

And we are taken back by the generosity of our community, which recognizes the importance of the services we are providing

including English classes, computer sessions, financial literacy as well as activities for seniors, ballet, karate and mariachi.

Funds we raise on December 1 will help support our afterschool program, the Learning Lounge, which currently operates with volunteers.

Thank you again.
